II. No of beneficiary: 2 persons as one unit

III. No. of Mobile Vans to be financed by LIDCAP: LIDCAP was proposed to sanction 175 automobile mini cargo vans during the financial year 2019-20, however this is subject to release of budget by the Government and Supply of vehicles by the Supplier. Initially, 100 vehicles were purchased would be ready to handover to identified beneficiary within a month. The priority of vehicle to be sanctioned to different strategic locations is purely the discretion of the selection committee of LIDCAP however; all the strategic locations with one vehicle initially will be covered in different phases depending on the availability of budget with LIDCAP.

IV. Eligibility:

1. Applicants must be belong Scheduled Castes community only. Community Certificate issued by the Revenue Authorities should be enclosed.
2. **Educational Qualifications:** Any one of the two persons must be SSC (10th Class) qualified. Preference will be given to higher qualifications and business experience.
3. **Age:** Minimum 21 years as on the date of application.
4. **Professional:** One person should be possessing permanent and **valid LMV driving license**. This license should be renewed from time to time without any gap.

V. General Conditions:

1. The beneficiary of scheme should be exclusively local residents of Andhra Pradesh and produce proof of residence certificate / Aadhar Card. There shall be a Partnership deed amongst applicants and be registered by the competent authority. They should also possess all required registration and business licenses, tax registration etc as per existing laws in the state.
2. Out of 2 persons, one person should be having experience of one year in manufacture or service or trading of footwear, leather products and processed leather. Both beneficiaries will have equal rights on the benefit out of the scheme. However, the profit/loss sharing will be based on their individual share of promoter's contribution.
3. One person is eligible for one unit only and he /she will not be eligible for any other unit. None of the two persons should have already availed any financial benefit from State or Central Government schemes. **A declaration should be given to this endeavor.**
4. LIDCAP is not liable for any accidents caused or theft or any liabilities raised by the beneficiary during the process of operation of business.
5. Vehicle will be registered in the name of Principal applicant as mentioned in the original Application.
6. Only valid driving license holder should drive the mobile cargo van.

7. Customer calls should be invariably attended. Service or sale of goods should be done with proper care and courtesy with the customer.
8. In case if any customer call could not be attended, they have to inform the customer the reason and respond politely.
9. In case the customer is far away from the location of the mobile van, it is upto the beneficiary as how to tap such market by working all suitable means to reach the customer to attend their call.
10. The beneficiary should always carry the catalogue of various leather products that can be procured and book orders based on the catalogue and money should be collected only after delivery of goods to the customer. No advance amount should be collected from the customers nor deceive the customer in any manner.
11. The vehicle should be operated only within the jurisdiction allotted to the beneficiary. This jurisdiction will be reduced / brought down upon sanction of more vehicles in future. LIDCAP is having full rights in fixing of jurisdiction to the beneficiary from time to time. Beneficiary will not have any right to question the LIDCAP on fixation of Jurisdiction of the operation by the beneficiary. This condition should be acceptable to the beneficiary. The details of the initial jurisdictions of operations will be indicated in the **Annexure-VII enclosed**.
12. The raw material, tool kits, stitching machine and leather products supplied initially with the Van is included in the project cost. GIS network device will be provided by the CSIR-CLRI only which is also included in the project cost. In addition to these items, GST of 28%, Life tax of 7%, Insurance charges, Hypothecation charges and Registration fee of the vehicle is also included with 3 years warranty. However, subsequent requirement of tools if any, such material should be procured by the beneficiaries at their own cost or out of business profits.
13. Both the partners should co-ordinate with each other in successful operation of the business to gain more profits. It is suggested that movement of the mobile cargo van should be distributed within the area of jurisdiction on different week days, so that the business potential areas can be identified. Thus the movement of van should be regulated depending upon the business potential areas.
14. In case if any partner is to be replaced, the same should be brought to the notice of the LIDCAP and obtain permission for such replacement and the records of the LIDCAP will also be updated accordingly.
15. LIDCAP will get online feedback from the customers on the quality of service extended by the beneficiary team. In the case if the quality of service of the beneficiary is poor, LIDCAP will have full rights to cancel the mobile van sanctioned and allot to another beneficiary.
16. The art work or stickers or the colour of the Mobile Van shall not be removed or erased or modified without permission of the LIDCAP. If any changes are made without written permission from the LIDCAP, LIDCAP will take action by imposing suitable penalty or request Transport Department for cancellation of the vehicle registration of the vehicle or cancel the driving license of the beneficiary or seize the vehicle. Since the Vehicle is financed, designed and procured by the LIDCAP and also the vehicle is hypothecated to

LIDCAP, LIDCAP will have full rights on the art work or stickers or the colour of the vehicle.

17. Beneficiary has to obtain the registration under Andhra Pradesh Goods and Services Tax Act and Rules, 2017 and pay the tax as per the rules and file returns.
18. Each unit of the scheme will be given a code number by the LIDCAP for the purpose identification and an identification card will be issued by LIDCAP. An online database will be maintained to track the movement of the vehicle, marketing, business and any other related information.
19. In case the business is not viable and incurring losses, the beneficiary shall immediately brought the matter before the LIDCAP for taking a decision in the matter or provide suitable solutions or workout alternate methods of resolutions or proper transfer of mobile cargo van.
20. Transfer of registration of the mobile cargo van cannot be done by the beneficiary without permission of the LIDCAP unless the complete recovery is done with interest amount. If the transfer of registration is inevitable under special circumstances, the same should be brought to the notice of the LIDCAP and permission should be obtained duly submitting such special circumstances.
21. LIDCAP is having full rights to inspect the movement of mobile cargo vans, registers, or surprise checks etc if any violations are brought to the notice of LIDCAP apart from initiation of civil and criminal action and entrustment of business to any other beneficiary.

VI. Selection Process & Business Facilitation:

1. Identification of beneficiaries will be through a selection process by a Committee consisting of representatives from Social Welfare Department. The committee will evaluate the merit of candidates such as qualifications, experience, ability to run the business etc. The selection of the Committee is final and is binding on the applicants and LIDCAP.
2. All the selected beneficiary shall enter into an agreement with LIDCAP accepting the above terms and conditions. Model agreement will be provided after the selection process is completed.
3. Training will be imparted to the selected beneficiaries by the LIDCAP at CSIR-CLRI, Chennai on various subjects such as marketing management, financial management, business management, material procurement, quality control and other modern techniques of business.
4. Mobile App with GIS connectivity will be developed and maintained by LIDCAP through CSIR-CLRI and it will be monitored the movement of the vehicle from time to time through online. The mobile van will function similar to that of Ola Cabs / Uber under GIS monitoring both the beneficiary and their customers.
5. CSIR-CLRI will arrange linkage for export quality leather goods and footwear to the beneficiary from time to time. Sale price of these products prices are competitive and at the risk of the beneficiary. However the beneficiary must provide Business information on monthly basis to the Managing Director, LIDCAP should be provided from time to time for the accounting statistical purpose. In addition to this, the

beneficiary can also source leather goods and footwear on his own including manufactured by the beneficiary team for sales through mobile vans.

6. Beneficiary is not permitted to sell any other goods other than processed leather, leather goods and footwear without permission of the LIDCAP. If there is any deviation is found, LIDCAP has the right to impose penalty or take action as deemed fit and reasonable.
7. LIDCAP will extend sensitive support shall take up any facilitation service in case of any difficulty in the operations or any intervention from the Government Department or Agency if required.
8. If the beneficiary desires to improve the business through additional finances or any other mode, he should approach LIDCAP and obtain permission for further expansion or development.

VII. Operational Costs of Business

1. The beneficiary shall bear the charges of fuel; maintenance of vehicle, the vehicle should be hypothecated to the LIDCAP till the repayment is done completely. Model Hypothecation Form will be provided at time of registration of the vehicle.
2. Since the mobile van will be hypothecated to LIDCAP, there shall not be any additional security except hypothecation document to be signed.
3. Identified beneficiary shall first deposit their share in the bank for sanction of the remaining loan by the LIDCAP. Upon intimation of the selection, the beneficiary shall deposit their share as communicated to him in the identified bank and produce a copy of the receipt along with other documents for delivery and registration of the vehicle. The subsidy component will be released to the LIDCAP which will be adjusted against the loan component.

VIII. Repayment & Default

1. Moratorium period is 6 months. The beneficiary shall start repayment after completion of 6 months from the date of allotment business operations.
2. In case of default of repayment of EMI continuously for more than two months, the allotment made to the beneficiaries will be cancelled duly following the procedure and will be re-allotted to another eligible candidate by the MD - LIDCAP whose decision is final.
3. Once cancellation of the Mobile Cargo Van is done for any reason like non repayment of loan amount, misuse of vehicle for other than promotion of leather goods as specified, indulging in any clandestine business, misbehaving with customers, cheating or indulging in any criminal acts etc, the beneficiaries will not have any right over the EMI's paid on the vehicle and they will forfeit the total amount including the beneficiary contribution. However, if the value of the vehicle after depreciation is higher than the EMIs due, such excess amount if any will be reimbursed in monthly installments only after total repayment of vehicle cost to LIDCAP.

IX. Payment of Royalty to LIDCAP:

After completion of the moratorium period of 6 months, the beneficiary shall pay a royalty of nominal **3% of the total business turnover to LIDCAP** for using the brand

name and other services such as providing marketing assistance through GIS and for developing Mobile App and its maintenance.

X. Maintenance of Registers and Bill Books

Beneficiary should maintain all registers pertaining to business such as purchase raw material, purchase of showcase products, service provided, Bill books, Cash Books, vehicle log book, expenditure and income details etc which will be explained in detailed in training.

XI. Dispute Resolution and Jurisdiction

1. In case of any partner desirous of quitting the business, prior permission of the LIDCAP should be obtained in writing. LIDCAP will have right to replace with the other beneficiaries. Beneficiary will not have any right to remove or include any other partner suitable new partner / partners. The decision of the VC & Managing Director LIDCAP is final and binding on all the partners/ beneficiaries after the selection process by the selection committee is completed.
2. In case of any dispute in the business or operations among the partners, the matter shall be referred to LIDCAP for resolving. The decision of the VC & Managing Director is final and binding on all the partners/ beneficiaries. Legal disputes if any shall exclusively be within the jurisdiction of Head Quarters at Vijayawada. However, any beneficiary desirous of raising legal claim in a civil or criminal court, shall invariably issue a notice two months prior to his claim, if any and is bound by final orders of the MD & VC LIDCAP which however be finalized within a period of six months preferably in normal course which may however be extended for non cooperation of parties depending on individual circumstances of a case.
